Red Five Standing By 14

Lock S-foils into attack position. Don't get cocky kid, maneuver straight down the trench, stay on target, and make a one-in-a-million shot. It's a good thing you used to bullseye womp rats in your T-16 back home

Old Forester Bourbon, Aperol, Drambuie, Blood Orange, Pomegranate, Lemon, Chipotle Bitters

The Proofread 14

Sometimes it's art, sometimes it's work. More often than not it's both. No matter what it is, it can't get done without a little bit of intellectual lubricant. Now go forth and edit!

What's up, Nog? 14

Rabbit Season is over, Duck Season has yet to begin. Filled with holiday spirit, Bugs mails out a cordial invitation to Daffy and Elmer. Showdown at the House of Blue Leaves 16

Snow falls gently to the ground beneath the indigo sky. The Crazy 88 are behind The Bride, her nemesis ahead. The stillness of the air is broken only by the monotone water fountain, and the clash of steel as the two fearsome fighters duel in the frigid air. Revenge is a punch best served cold.

Beefeater Gin, Hayman's Sloe Gin, Cranberry, Coriander, Rosemary, Lemon, Oleo-Saccharum, Silk Road Winter Warrior Tea, Goat Milk Whey

The Long Night 15

Oh my sweet summer child, what do you know about fear? Fear is for the winter that lasts a generation! When The White Walkers rode so far south on their dead horses that they swept through the agave fields, forcing the jimadors into their dark homes to cower over their porridge and tea.
